

# St. Rita's Basketball League

## 2019-2020 Season

---

St. Rita's Basketball League is a non-profit based organization providing recreational basketball league play opportunities. The organization primarily serves, but is not limited to, the Greater Connellsville Area. Participation in the basketball league is open to any boy kindergarten through 8th or any girl from preschool through 8th grade.

The players and their families extend their appreciation to businesses and organizations that help make possible the existence of the league. We thank all of the businesses in the past that have helped support our organization. We hope that you continue to support us. Through your generosity, we have been able to continue a tradition in the community that has been running for over 60 years.

During the 2019-2020 Season, the St. Rita's league encompassed 29 teams with over 222 boys and girls. Each year, banquets are held at the Connellsville Senior High School to acknowledge the participation and achievements of the youth. Each youth is individually presented with a nice trophy. A written program lists each youth and the names of the sponsoring businesses and organizations. Each player also receives a gift. Names are also drawn for additional prizes.

Players and their families help with a fundraiser in the beginning of the season to help meet some of the costs of the league. Businesses and organizations also help the league meet costs through team sponsorships and donation of goods and services.
